# Message from Chairman Jan Zimmerman

Fiscal Year 2024 (FY 2024) resulted in a remarkable milestone for the Missouri Gaming Commission (MGC), marked by the celebration of 30 years of gaming in Missouri. The members of the Commission and MGC staff take tremendous pride in the economic growth and contributions to education and worthy causes that the past 30 years represent.

One of the most important functions of the Missouri Gaming Commission is monitoring the collection of admission fees and the gaming tax on Adjusted Gross Receipts or AGR. While the yearly comparison of AGR and Admissions were both down by 2% for FY2024, money to worthy causes has surpassed \$1 billion since our inception.

The MGC is proud that the regulation of fees and taxes collected provides support for the following worthy causes: the Veterans Commission Capital Improvement Trust Fund, the Missouri National Guard Fund, the Access Missouri Financial Assistance Fund and the Compulsive Gamblers Fund. The contributions to these important causes totaled just over \$15 million in FY 2024 and more than \$357 million for education. The money to Proceeds for Education Fund has exceeded \$8 billion since the formation of the MGC.

Along with riverboat casinos, the MGC also regulates charitable gaming and fantasy sports contests. The number of Missouri's fantasy sports operators remained unchanged in FY 2024, with 10 operators. There are 172 bingo licenses in the state, down by just one from last year.

The 2024 legislative session once again included the introduction of multiple sports wagering bills. For the third year in a row, professional sports teams testified in favor of sports wagering. However, despite efforts of sports teams and some lawmakers, sports wagering did not advance this year.

I would like to take this opportunity to express my sincere gratitude to Missouri Highway Patrol Colonel Eric Olson for the outstanding partnership we value with his agency. Execution of our important mission would not be possible without the Gaming Division of the Missouri State Highway Patrol who we have worked with through a Memorandum of Understanding for many years. The members of the MGC rely on their consistent dedication to ensure the integrity of gaming in the State of Missouri.

I am confident you will find that the FY 2024 MGC Annual Report is a wealth of great information about the Commission and gaming in Missouri. The following pages include details about the competitive tax rate, the economic impact each casino has, and how each home dock city or county uses its share of admissions fees and gaming taxes.

It has been my privilege to serve as the Chairman of the Missouri Gaming Commission, and I would like to thank the entire staff for their daily commitment to make certain the agency runs smoothly. I look forward to ensuring that the Missouri Gaming Commission continues to protect the integrity of gaming while working closely with industry representatives and protecting the citizens that we serve.

\* Note: In FY 2024, MGC changed its billing structure from pre-billing an estimate prior to each quarter to billing the actual expenses after each quarter. As such, the fourth quarter billings are not being received until the beginning of FY 2025. This results in the year-end totals for Veterans Commission Capital Improvement Trust Fund being lower than normal for FY 2024. The fund should regain its normal distribution in FY 2025.

# Gaming Proceeds for Education Fund

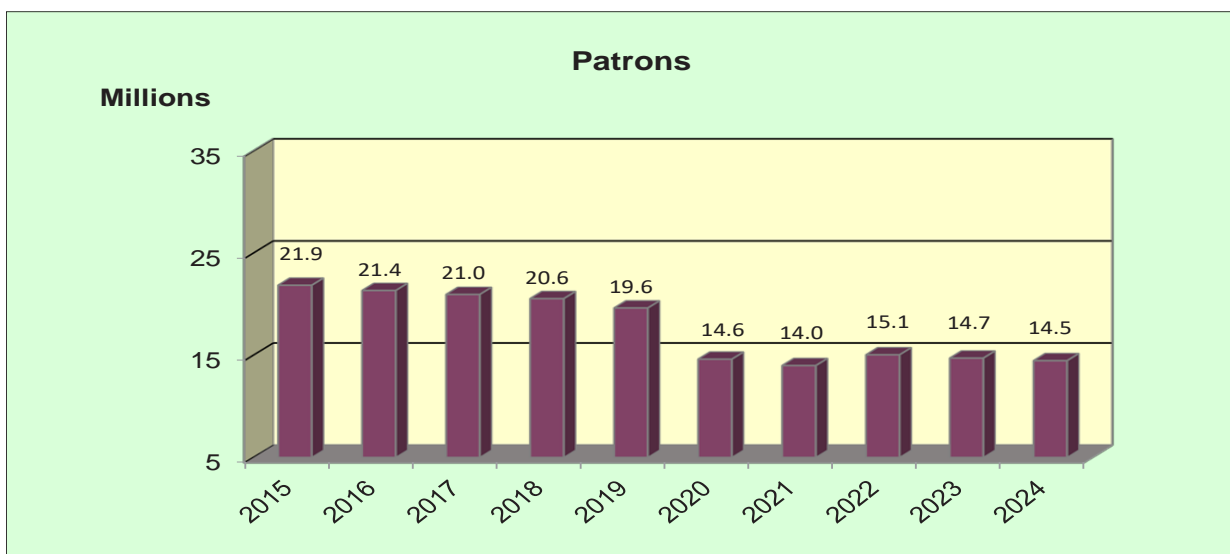

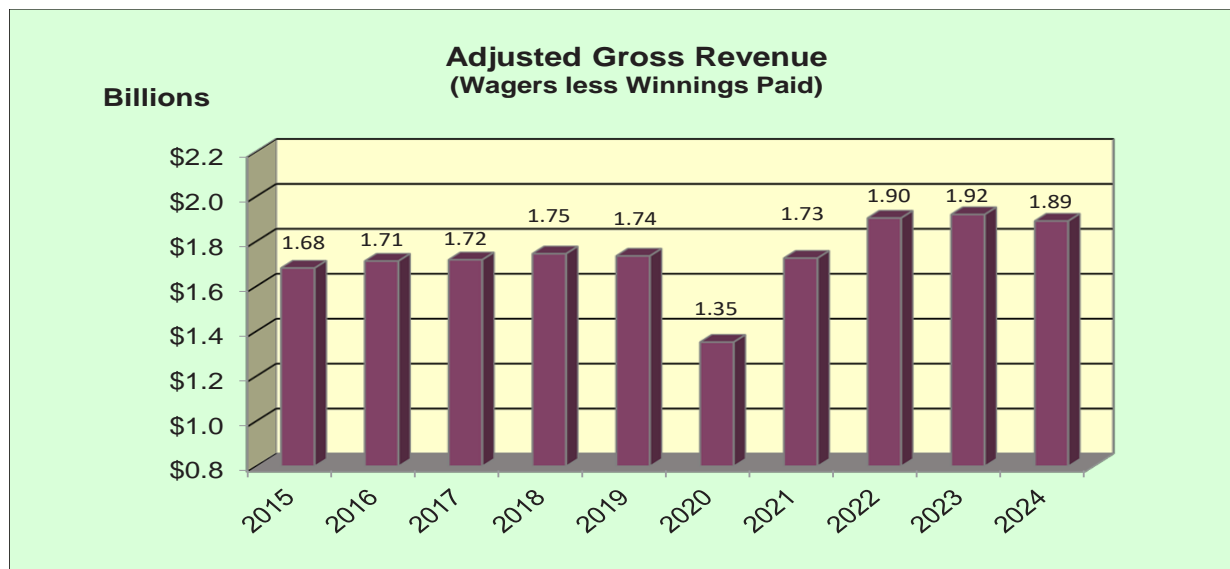

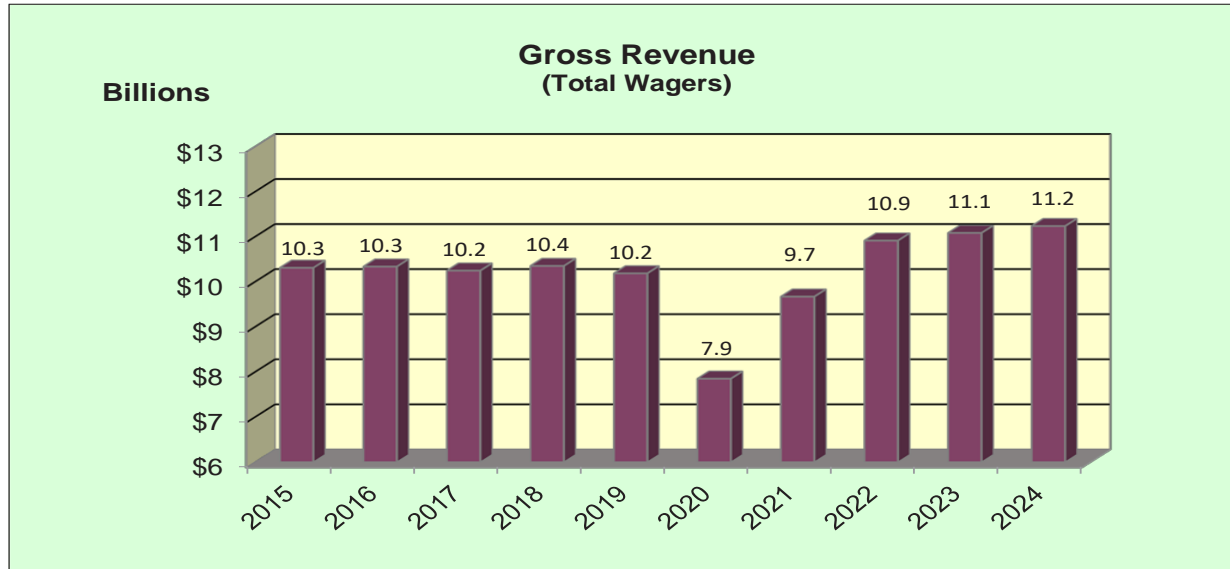

(from Gaming Tax)

Pursuant to Section 313.822, RSMo., Missouri's 13 casinos pay a Gaming Tax of 21% on their Adjusted Gross Revenue (wagers made-winnings paid). Ten percent of taxes collected is paid to the home dock city or county where each casino is located. The remaining 90% is paid to the State of Missouri Gaming Proceeds for Education Fund. As reflected in the chart below, Missouri's casinos have contributed \$8,043,498,492 to education since inception, including \$357,460,029 for FY2024.

# Charitable Gaming

Charitable Gaming includes licensed bingo and other associated games such as pull-tabs, merchandise coin boards, and event tickets. Bingo was legalized in 1980 and came under the Missouri Gaming Commission on July 1, 1994. The operation of bingo and the other associated games is restricted to qualified licensed religious, charitable, fraternal, veteran, and service organizations. The Charitable Games Division also licenses hall providers, suppliers, and manufacturers of bingo products.

All proceeds over and above the actual cost of conducting bingo must be used for charitable, religious, or philanthropic purposes of the organization, and no part of the net earnings may inure to the benefit of any individual member of the organization. Bingo proceeds collected by these tax-exempt organizations are used to fund various projects such as veterans homes, drug awareness programs, prevention of child abuse, cancer care and research, Alzheimer's care and research, Boy & Girl Scouts, various religious organizations, scholarships, sight and hearing care for impoverished citizens, and many more.

More than \$100 million has been generated in tax revenue since bingo was legalized. The chart below represents the actual tax reported for bingo paper and pull-tabs for the past five fiscal years. All bingo tax is deposited into the Proceeds for Education Fund. A comparison of tax paid per file period shows a slight decline in the overall taxes reported for bingo paper and pull-tab sales combined.

<b>TOTAL</b>	<b>\$1,186,555.71</b>	<b>\$1,114,324.37</b>	<b>\$1,418,169.68</b>	<b>\$1,467,154.68</b>	<b>\$1,442,488.66</b>

\*Tax amounts for March through June of FY2020 & all of FY2021 were significantly impacted by the COVID-19 virus.

The charts below reflect the total bingo taxes deposited and the total number of licensees over the past four years. The bingo tax deposited is different from the tax reported per file period because of the due date of reporting. Reports are due the last day of the month following the month in which the bingo card or pull-tab was sold; therefore, the tax collected for certain file periods during the fiscal year may be included in different fiscal year deposits.

# Missouri State Highway Patrol

The Gaming Division was established on May 1, 1994, by order of Colonel Fred M. Mills and was the first new division established within the Patrol since the creation of the Division of Drug and Crime Control in 1983. Officers assigned to the division conduct investigations and enforcement functions necessary to assist with regulating legal gaming activities in Missouri.

Under terms established by a memorandum of understanding, the Patrol's Gaming Division works in concert with the Missouri Gaming Commission to license and regulate constitutionally permitted gaming activities in the state. The division is part of the Patrol's Criminal Investigation Bureau and is under the command of Captain Andrew O. Tourney. The division is divided into Administrative Services, Investigations, Eastern and Western District Enforcement.

The Administrative Services Section, under the direction of Lieutenant Kevin J. Hunter, is responsible for administrative aspects of division operations, including: supervision of clerk typists and the property control supervisor, fleet management, training, criminal records, overtime, recruiting, personnel actions, and special projects.

The Investigative Unit, under the direction of Lieutenant Shawn M. Griggs, conducts comprehensive background investigations of individuals and corporate entities seeking licensure from the Missouri Gaming Commission. The individuals and entities subject to background investigation are specified in 11 CSR 45-4, and the results of completed investigations are used by the Missouri Gaming Commission when evaluating their suitability for licensing. Additionally, the unit assists the Missouri Gaming Commission with investigations related to licensed charitable gaming and fantasy sports operations in the state.

Lieutenant Jody T. Laramore and Lieutenant Jeffery T. Fitzgerald direct enforcement operations in the eastern and western districts of the state. Officers assigned to the Enforcement Section conduct investigations into violations of Missouri Gaming Commission regulations and investigate and arrest individuals for violations of criminal law. Results of regulatory investigations are referred to the Missouri Gaming Commission for administrative action, while violations of criminal law are referred to the prosecuting attorney.

All four sections of the Patrol's Gaming Division are provided clerical support from Administrative Office Support Assistant Ms. Rachel M. Thowe, Clerk Typists Ms. Kayla Bradley, and Ms. Stacy Slayton. Their responsibilities include processing criminal investigation reports and similar administrative tasks.

The Gaming Division's proactive approach and collaboration with the Missouri Gaming Commission reflects a commitment to ensuring the integrity of licensed gaming activities and contributing to the safety of those who live in and visit the state.
